

NECOG DEVELOPMENT CORPORATION

REVOLVING LOAN FUND

INFORMATION & APPLICATION

NECOG Development Corporation (NECOG-DC) is a non-profit that specializes in gap lending. That is, NECOG-DC is not in competition with local banks and requires that applicants first visit with a bank before submitting an application. It is expected that a combination of a conventional (bank) loan and the applicant's equity is expected to provide the majority of the required financing. In situations where an applicant is unable to secure conventional financing, NECOG-DC will consider funding the entire project.

Service Area

NECOG-DC accepts loan applications to finance business start-ups and expansions in the NECOG-DC service area. These counties include: Beadle, Brown, Campbell, Day, Edmunds, Faulk, Hand, Marshall, McPherson, Potter, Spink, and Walworth.

Use of Loan Proceeds

Loan proceeds may be used for, but are not limited to the following activities: business acquisitions, land/building acquisitions, construction, building renovation, equipment purchase, leasehold improvements, and working capital on a limited basis. **Short-term operating loans and refinancing or restructuring of existing debt is generally not eligible.** NECOG-DC loan funds must be the last funds into the project, and an interim lender is required on projects involving new construction.

Ineligible Loan Purposes

Loan proceeds cannot be used for the following purposes: 1) agricultural production; 2) distribution or payment to the owner, partners, shareholders, or beneficiaries of the ultimate recipient or members of their families; 3) loans to charitable and educational institutions, churches, organizations affiliated with or sponsored by churches and fraternal organizations; 4) housing projects, including rental and house "flipping"; 5) businesses whose majority of sales come from alcohol and/or gambling; and 6) assistance to persons who are employees, directors, officers of NECOG or NECOG-DC, and/or have major ownership (20 percent or more) in the ultimate recipient.

Loan

NECOG-DC loan limits include a minimum of \$10,000 and a maximum loan amount of \$500,000. Loans in our portfolio average about \$100,000 per project. NECOG-DC does not typically finance projects larger than this on our own and will ask the applicant to seek an additional lender to share the risk. Loans should leverage one job created/retained per \$25,000 being requested.

Terms of NECOG-DC loans, including amortization term, interest rates, balloon payments, collateral positions, etc. are determined on a case-by-case basis.

Collateral Requirements

This institution is an equal opportunity provider and employer.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at http://www.ascr.usda.gov/complaint_filing_cust.html and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by mail to U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Ave, SW, Washington, D.C. 20250-9410, by fax (202) 690-4442 or by email at program.intake@usda.gov

Each loan will require a secure collateral position. Generally, a first position or a shared pro-rated collateral position will be required and personal guarantees and/or life insurance might be required.

Equity Requirements

At least 10% equity is required in all projects. Equity can be in the form of existing equity in a company, new cash injection, equipment, or labor into a project. Applicant must provide proof of equity injection.

Fees and Other Charges

NECOG-DC will work with businesses through the application process without charge. When an application is submitted there is a **\$25 per applicant fee** for a credit check. If approved for a loan, at the time of the loan closing, a one-time 1.0% origination fee is charged. Other fees that the applicant/recipient will be responsible for may include attorney fees, filing fees, and title insurance fees. If approved for a loan, NECOG-DC also has a late fee policy and a charge for non-sufficient funds.

Application Process

Once a completed loan application is filed, the NECOG-DC Board will meet to review the application. Applicants are required to meet with the NECOG-DC Board to discuss their application. Meetings are scheduled monthly and are typically held on the last Wednesday of each month. Complete applications must be in the NECOG-DC office 10 days prior to the schedule board meeting in order to be considered at that month's board meeting. ***Applications are not considered complete until all required documentation is submitted.***

After the meeting, you will be contacted and informed as to the status of your application. If approved for a loan, a commitment letter will be sent to you detailing the terms and conditions of our loan commitment. If your application is denied or tabled for further information a letter detailing the denial or further information required will be sent to you.

Expect a cycle of 45-60 days from the time a complete application is received by NECOG-DC until loan disbursement can be made, if approved for a loan. Disbursement will be in accordance with the other lenders involved and only after proper completion of mortgages, loan agreements, guarantees, and obtaining proper collateral positions, etc.

Monitoring

Loan recipients must agree to provide monitoring information as requested. Some of this information includes routine site visits, job reporting, financial reports, documentation of adequate insurance, and any other documentation as required by your loan documents or deemed necessary to monitor the loan.
