Introduction

This report is a summary of the services provided by Northeast Council of Governments during the past twelve months. The document contains general organization information, regional service highlights, and specific county work activities.

Background

NECOG is a voluntary association of county and municipal governments that was established in 1973. The 12-county region is a U.S. Economic Development Administration designated “Economic Development District”. NECOG is considered to be a “quasi-governmental” organization.

Services

NECOG provides “on call” staff support, involving:

- Grant and Loan Application writing
- Project administration
- Research
- Land use planning
- Information Source
- Technical Assistance

Special services include:

- Small business loans (Northeast Council of Governments – Development Corporation)
- Census Information – NECOG is 1 of about 50 Census Information Centers in the Country
- Regional Food Business Center – Technical Assistance Provider
- Emergency Management Plans
- Mapping (Geographic Information System)
- Environmental Reviews
- Strategic Planning

Staff

Eric Senger, Executive Director

Ted Dickey, Program Coordinator

Alison Kiesz, Revolving Loan Fund Manager

Lesleann Palmer, Community Development
Specialist (CDS)

Jordan Hintz, Accountant/CDS

Funding

NECOG is financed through membership dues, administrative charges, state and federal agency service contracts, special purpose grants, and technical assistance fees. The 2023 expense budget was \$707,839. Approximately 22% of NECOG funding comes from local government dues.

Twelve Month Highlights

The following programs, services, and assistance activities were provided throughout the region.

- A total of 63 grant and loan applications were prepared.
- Successful proposals resulted in \$14,857,096 of outside funding.
- NECOG received an additional \$273,993 in direct funding that was utilized to provide assistance throughout the region.
- 11 businesses received NECOG-DC loans totaling \$1,664,000.
- NECOG-DC assistance leveraged \$1,735,877 in private investment. There were 66 jobs created or retained.
- NECOG has received a 5 year award to assist with Local Foods in the region. Technical assistance and funding will be available for specialty producers and provide access to local foods.
- Provided information and assistance to numerous Cities/Counties with their direct allocation of American Rescue Plan Act (ARPA) funding. Total allocation in our region is \$30,273,748.
- District staff attended over 250 meetings throughout the region.
- NECOG continued to assist the South Dakota Department of Transportation with a road inventory project for all township, city and county roads in the region.
- 5 County Pre-Disaster Mitigation Plan were funded this year and grant applications were submitted for 3 additional Counties.
- 12 cities and counties were assisted with land use planning or municipal ordinances assistance, creation, or revisions.
- Numerous local governments and private businesses were assisted with registering/updating of the System for Award Management. SAM requires active status to be eligible for federal program application and award.
- Provided census information throughout the region utilizing data results of the 2020 Census and subsequent American Community Survey releases.
- Provided ongoing information on numerous grant and loan programs available to Cities and Counties in the region.
- Participated in County association meetings and Municipal League district meetings in the region.

Overall Funding Total

Since 1997, NECOG has assisted its membership in obtaining \$871,604,724 in outside funding assistance. This figure represents \$9,233, for every person in the region (based on 2020 Census). NECOG has also directly received \$10,182,207 in grants and contracts from State, Federal and Local Foundations. This money has been used to provide direct services back to the region.
